WRITES "THEODORE" WITH GOLD PEN GIVEN BY THE PEOPLE OF ARIZONA, WHILE "ROOSEVELT" IS WRITTEN WITH OKLAHOMA EAGLE'S QUILL—PRESIDENT CONGRATULATES BEVERIDGE AND HAMILTON.

WASHINGTON, June 16.—Another star was added to the Union today when the President signed the bill admitting Oklahoma and Indian Territory as one State. The measure also provides that Arizona and New Mexico may be admitted to statehood as the State of Arizona provided the people in the territories vote in favor of admission on the terms submitted by congress. The signing of the measure was the occasion of an interesting ceremony. The President used two pens, writing the first name "Theodore" with a gold pen

presented by the people of Arizona while he finished "Roosevelt" with an eagle's quill taken from an eagle of Oklahoma. After signing the bill Roosevelt congratulated Beveridge and Representative Hamilton on the completion of their long and arduous labors in connection with the measure. He expressed the hope that the people of Arizona, and New Mexico, would avail themselves of the opportunity to come into the Union as a state as the opportunity might not come again in a score of years.

WEEK IN WALL STREET.

NEW YORK, June 16.—The week's opening show of strength in the stock market was largely due to the influence in Wall street of the hopeful promise for the grain crops contained in the government's monthly report. Advantage was taken of this to localize on speculative holdings and it was found that the new speculative demands for stocks was insufficient to take care of the holdings accumulated in the professional speculation which had preceded. The growing discouragement of the professional holders was seen in the disposition to close out holdings on declining prices. Some large unloading by stock market pools was given the credit for causing the sharp breaks in prices which occurred. Money has grown firmer again with effect on sentiment owing to the large capital requirements overhanging the markets.

BERKELEY, Cal., June 16.—President Wheeler of the State University has been asked to lend his support to a plan for the adoption of a universal language. The sundry civil bill was also passed and carries \$94,578,040; nearly \$26,000,000 of which is for the continuation of work on the canal. According to statements of the servants at Mizner's home, Mrs. Mizner has gone leaving no word of her whereabouts. The clerks at the Auditorium hotel, where Mizner sojourned during his brief stay in Chicago, are equally ignorant as to his moves since he dropped out of sight. He arrived in Chicago Thursday and registered at the Auditorium hotel. Mrs. Mizner has been here several weeks at her home. Both disappeared at the same time.

Mizner's latest appearance in Chicago has every appearance of the Lochinvar spectacle, and his acquaintances declare they would not be surprised to learn that he had gone to the Yerkes home and carried his wealthy bride off bodily and speed eastward or westward with her in real frontier fashion.

EMPEROR WILL DECLARE RECESS OF PARLIAMENT

Reliable Information States Parliament Will Be Dismissed for Emperor to Take Vacation in Finland on Imperial Yacht.

BLOODY STRUGGLE WILL ENSUE SUCH AN ACT

GROUP OF "TOIL" HAS OPENLY DECLARED AGAINST A RECESS, AND IF EMPEROR EXECUTES HIS DECISION REVOLUTION IS SURE TO FOLLOW—OUTCOME OF STRUGGLE IS HARD TO PREDICT.

ST. PETERSBURG, June 16.—The Associated Press is reliably informed that the Emperor has definitely decided to declare a recess of parliament on June 26th and that his majesty and the royal family will immediately thereafter leave for a cruise in the Finnish fjords on the imperial yacht Standard. If this decision is executed it will be an almost certain signal for an immediate bloody struggle.

The group of "Toil" as an outcome of its open declaration against a recess, passed a resolution declaring that neither now, nor in the near future can parliament be recessed and that so long as the arbitrariness and outrage of the government continue and the terrors of an impending outbreak and the sufferings of the peasantry and workmen continue, so long must parliament remain until it has achieved "A land of freedom" or exhaust all means to this end.

MALTREAT HEBREWS.

ST. PETERSBURG, June 16.—Private but unconfirmed advices of a general massacre at Bialystok may be regarded as ended but that roving bands are still assaulting and otherwise maltreating the unfortunate Hebrews whenever there is opportunity. On account of the lack of information, the status of the situation is in doubt. Members of parliament continue to receive telegrams from Polish correspondents denying the denials given in official explanations of the disorders; some of them declaring that fighting did not commence during the procession and that the shots instead of being directed against persons in the procession were plainly and simply the signals to begin the excess.

PHILIPPINE INSURGENTS SURRENDER TO AMERICANS

MANILA, June 16.—Macario Sakay, self-styled president, and Francisco Carlon, vice-president of the Filipino Republic, surrendered to the constabulary headquarters in Manila today. The authorities are much elated as Sakay is the chief of ladronism in Luzon, and his surrender means the end of the campaign in this section. "I surrendered," said Sakay, "because I was fighting an uphill game and the Filipino will never succeed in gaining independence unless they show themselves worthy of it. There is nothing to be gained by opposing the Americans."
